Dear M.G. Chemicals Customers,

This letter certifies that all products within the M.G. Chemicals' brand are RoHS compliant in accordance with EU Directive 2002/95/EC and 2002/96 EC. Specifically, our products do not contain any of the following hazardous substances:

- Lead (<1000 ppm)
- Mercury (<1000 ppm)
- Cadmium (<100 ppm)
- Hexavalent Chromium (<1000 ppm)
- Polybrominated biphenyl (PBB) (<1000 ppm)
- Polybrominated diphenyl ether (PBDE) (<1000 ppm)

Additionally, controls have been added to our ISO 9001 design procedures to ensure that all future products added to the M.G. Chemicals' product line would also be compliant.

Please contact M.G. Chemicals Technical Support if you should have any questions, 1-800-201-8822 or support@mgchemicals.com
